

Sports Charity Mwanza is a Tanzanian NGO with the mission to create a sustainable school and club sports infrastructure in Mwanza region (about 4 million people). Together with the regional government administration and the regional sports associations we build sports grounds and equip schools as well as clubs with balls. Giving more children access to school and club sports is the mission which our Tanzanian and international team is striving for.

Internships/Sabbatical – Basketball, Volleyball, Football or Netball Development Cooperation in Tanzania

(Duration: 3-6 months; starting date: flexible; type: unpaid; location: Mwanza/Tanzania)

With us you can expect more than a normal internship. We are looking for sports enthusiasts and change makers who have their heart in the right place. You will represent our international team in Mwanza City (about 1 million people) while being responsible for working with clubs and schools in your sport. All this you do in close collaboration with the local charity team as well as the regional federation / administration. While you can bring in a lot into our projects, you will also realize that you can learn a lot from the people here for your future life back home. To get more information about our charity and the situation in your sport, please visit www.scmwanza.org. The homepage is old and loads a bit slow, but will be updated this year. You will find the latest information on our [Instagram](#).

Responsibilities:

- In teams of 2 or 3, you will set-up structures and operations in the sport you are responsible for
- Be a combination of a coach and project manager in a social start-up
- Evaluate our effectiveness, develop our charity further and support us in getting international support
- Take part in public relations, networking and have a lot of fun during and after work

Requirements:

- Willingness to make a difference in the world during university or before beginning a(nother) job
- Openness towards new cultures and fluency in English
- Interest in learning basic Swahili to break the ice (don't worry, the English level is high here)
- Be good at your sport or have coaching experiences
- Organizational skills, flexibility, ambition and an autonomous working style
- Humor, team spirit and communication skills

We provide:

- Introductory month in Tanzania as well as mentoring through Tanzanian and international project leader. The culture in Tanzania is very different to ours and we can learn a lot from each other.
- Improving your skills in project management, social work and coaching
- Opportunity to bring your own ideas in and to become part of a young charity team in the long run
- A cool volunteer house and a volunteer culture that makes you feel home fast
- Enough days off to discover one of Africa's most beautiful countries (Serengeti, Zanzibar, Kilimanjaro)

If you are interested in becoming part of the SC Mwanza team please send a resume and cover letter in English to us at sportscharitymwanza@gmail.com. Don't hesitate to ask your questions.
